## POWER TRANSMISSION

Hampton Rubber Company provides quality bearings and power transmission products with a focus on customer service that is second to none. Being a total solutions parts distributor is key to our customers' service needs, providing quick local turnaround.

Hampton Rubber Company has access to the most recognized brands globally and specializes in items that are hard to find. We pride ourselves on being the best and most responsive — providing innovative, total solutions for our customers and setting industry standards in service and support.

## CUSTOM GASKETS & EXPANSION JOINTS

From roll sheet goods to PTFE lined metal expansion joints Hampton Rubber is here to assist you with your sealing product needs. We can supply fan connectors and expansion joints including round, single & multiple, all metal bellows, and chemically resistant PTFE. We make custom gaskets up to 60" diameter and thicknesses to 2".

Our material list is extensive and includes (but not limited to): PTFE, Neoprene, Red Rubber, SBR, EPDM, Buna, Graphite, and Viton including MIL-SPEC Rubber that handle seal pressures up to 3000 psi and temperatures from cryogenic to 2000° F.

## ONGUARD™ HOSE SAFETY

OnGuard™ helps you manage your hose through its entire lifecycle and includes on-site visual inspections and hose testing services.
